At the completion of the hearing, the Board shall either annul or sustain or modify in whole or in part the Preliminary Assessment (Non-ad Valorem Assessment) as indicated on such roll, either by confirming the Preliminary Assessment (Non-ad Valorem Assessment) against any or all lots or parcels described therein or by canceling, increasing, or reducing the same, according to the special benefits which the Board decides each such lot or parcel has received or will receive on account of such improvements. The assessment so made shall be final and conclusive as to each lot or parcel assessed unless proper steps are taken within twenty (20) days with a court of competent jurisdiction to secure relief.

The Board will levy a Special Assessment (Non-ad Valorem Assessment) for operations and maintenance of the water management system and the beautification of the recreational areas and median areas, and maintenance of conservation and preserve areas utilizing an Equivalent Residential Unit based methodology. The total assessment for maintenance of the water management system, beautification of recreational facilities, and median areas, and maintenance of conservation or preserve areas is **\$3,950,200.00** which equates to **\$518.719** per Equivalent Residential Unit based on **7615.29** assessable units.

The Special Assessment (Non-ad Valorem Assessment) will be collected by the Collier County Tax Collector on the owner's Ad Valorem Tax Bill pursuant to Section 197.3632, Florida Statutes. Failure to pay the Special Assessment (Non-ad Valorem Assessment) and your property taxes will cause a tax certificate to be sold against the property, which may result in a loss of title to the property.

Any person who decides to appeal a decision of the Board will need a record of the proceedings pertaining thereto and therefore may need to ensure that a verbatim record of the proceedings is made, which record includes the testimony and evidence upon which the appeal is to be based.
